Hello TBGA Members:

Hope you all enjoyed the Easter break.

We have been enjoying our new space, grateful that we no longer need to put out over 20 different containers to catch drips from the ceiling.

In December we had a small art show and sale and enjoyed our Christmas get together and potluck with all our studio users.

We held weekly workshops in figure drawing and collage and had excellent feedback. Our collage workshop is continuing, every Wednesday evening from 7:00 pm to 9:00 pm - if any TBGA member wishes to drop in, the workshops are by donation to non-studio users – we have a donations jar in the studio area. The figure drawing workshop will start up again in the Fall. Come see what it's all about and have fun!

There was a workshop in Cold Wax art given by Maggia Leal-Valias our resident Australian professional artist and this was well attended. In fact, some of us are continuing to work in this medium.

- We will be holding a show and sale on May 11th during Bird Fest in May where all art will be bird related. This will be upstairs in the Chamber of Commerce building. We hope you will come out to support us. Watch for the posters around town.
